

Venue Pricing & Amenities

Metazoa Brewing Co. is a pet-friendly, open-concept brewery in downtown Indianapolis that features great skyline views, over 16+ delicious craft beer styles on tap, and a variety of spaces to utilize for your next event. We've hosted numerous corporate and networking events, nonprofit fundraisers, birthday parties (humans and dogs), rehearsal dinners, DIY workshops, fitness classes, and more in our taproom. We'd love to work with you!

During a semi-private event at Metazoa Brewing Co., we will reserve tables and space appropriate for your party and the rest of our taproom will remain open to the public. Semi-private events can be booked any day of the week (except for Tuesday evenings during Trivia) depending on availability and in-house public events. Please note that Metazoa Brewing Company **does not** have any fully private rooms unless you choose a fully private event in which we shut down the brewery to the general public.

We can open early for team meetings, workshops, and lunch events with advance booking (at least two weeks notice is preferred). Our taproom is always 21+ only and we are pet-friendly; well-behaved, leashed pets are always welcome in our taproom, patio spaces, and dog park.

See attached for descriptions on spaces available for semi-private events, full facility rentals, and venue pricing details. We are open to hosting nonprofit events, student groups, and fundraising events at reduced rates on non-peak times and days of the week.

Please email our Marketing & Events Manager, Sarah Silcox, for additional information at sarah@metazoa.beer. We look forward to working with you!

BEVERAGE MINIMUM OPTIONS

*In lieu of a venue fee, we'd be happy to set up a pricing option that would just include a bar minimum for your group. For two hours, we can set the minimum at 2 pints per attendee and you can either open a tab the night of your event, or you can pre-purchase pint tokens for your guests. The pint tokens are the cost of an average pint of our beer and can be purchased the day of the event or before, whichever you prefer! **Pint tokens are non-refundable but can be redeemed for beer in our taproom anytime.***
